Learn about the “11 Steps to College and Career Readiness” — a pathway identified by Tulsa Public Schools that will increase the likelihood of students being career- and college-ready. By focusing on these 11 steps, we can change the future of students in our district and increase the number earning a degree. By working together with students, parents, teachers, school administrators and the Tulsa community, we KNOW we can make a difference in children’s lives.

LET’S GET COLLEGE AND CAREER READY!
